

## **12" Mixed Annual Hanging Basket    Item# 36156**

Add instant color around your home and enjoy it all season long. Place these sun loving annuals around your home or plant them in your garden. Water when the soil is dry, water thoroughly in hot weather. Plant them in full sun to partial sun and fertilize weekly for best performance. See individual variety care tags for further information.

### How to Grow:

- Plant in sun or partial sun
- Blooms all summer
- Water when dry
- Fertilize once a week
- Remove dead flowers and leaves
